Current Perspectives in Clinical Treatment and Management in Workers' Compensation Cases

www.ebooks.benthamscience.com/book/9781608052516

About the eBook

This eBook integrates all aspects of medical care relevant to worker compensation. It explains benefits of the application of evidence-based approaches to worker compensation care. Improved outcomes of such approaches include less risky treatments, faster healing, and good return to work experience. The ebook should serve as a significantly important reference tool for several working professionals in healthcare systems as well for as students and trainees.

Contents

- ▶ A Method and Model to Judge Evidence-Bases for Workers' Compensation
- ▶ Workers' Compensation Care is Not the Norm: Why It Is Different
