Biodiversity Conservation: Challenges for the Future

www.ebooks.benthamscience.com/book/9781681080215

About the eBook

Biodiversity Conservation – Challenges for the Future is a handy resource for the local (Indian) conservationist community consisting of policy makers, academicians, scientists, environmentalists, students and grass root level conservationists.

“...a beacon of hope for the future of biodiversity in India...”
*Foreward by Balakrishna Pisupati
Former Chairman, National Biodiversity Authority, India*
