An Illustrated Glossary of Botanical Terminologies (An Easy Approach to Plants Terms) (First Edition)

www.ebooks.benthamscience.com/book/9781681080949

About the eBook

An Illustrated Glossary of Botanical Terminologies is intended as a simple and concise handbook for students undertaking undergraduate or graduate courses in botany or biological sciences as well as general readers interested in understanding terms used in plant science. Readers will find many key words in this book that are often present in many botanical texts although without clear explanation or meaning. This glossary presents an easy approach to learning several plant-related terms.

Key features include:

- Over 1500 entries
- Over 200 illustrations
- Simple, easy-to-understand definitions
- Brief explanations and annotated figures where possible
